

## IMPP Fees 2022- 2024

A certificate of successful completion of the program will be awarded after the completion of all modules during the 2-year period. MA/MFA students will also complete a third year, where they develop and perform an independent project. The third year is also open to interested certificate students who have completed the 2-year program.

### Module 1 only : 2125€ (5-week Module beginning in March 2022)

#### First Year : 4250,00 Euro

Inclusive of expenses for travel and accommodation for one group retreat in module 2 (3-4 days, Additional expenses may occur for retreat days.)

#### Second Year : 4650,00 Euro

Inclusive of expenses for travel and accommodation for one group retreat in module 6 (3-4 days, Additional expenses may occur for retreat days.)

The fees above are for the **certificate program (module 1-7)**. See below for financial assistance.

**Third Year** : The third year is compulsory for MA/MFA students, but is also open for certificate students who have successfully completed year 1 and 2. The tuition fees for the MA ( module 1-9) or MFA (module 1-10) are higher and set by Rose Bruford College. ## Scholarship Program and COVID assistance

Each season the TPC awards up to two scholarships of **1200,00 Euro** each to two applicants to the first year and two students in the second year of the certificate program. Conditions apply. To find out whether you qualify for these scholarships, please contact the office for further details. Applications for scholarships must be received with a full application before November 18, 2021.

### COVID assistance

Given the fact that many practitioners in the field of the performing, healing and educational arts have been exposed to financial challenges during the pandemic, **the TPC offers all applicants to the 2022-24 certificate program a fee reduction of 500,00 Euro for the first year of the program. So instead of 4250,00 Euro participants pay 3750,00 Euro only.**
